

# GIS ANALYST

## CAREER OPENING

Clark Regional Wastewater District (District) seeks a professional GIS Analyst to join their team. The GIS Analyst is a member of a talented team of individuals who manage, design, operate and maintain the wastewater system, providing reliable sewer service in a customer-focused and responsible manner. The GIS Analyst leverages their competency and skills with technology to enhance operations and service delivery for a professional wastewater utility.

### KEY RESPONSIBILITIES

- System administration of GIS and other assigned programs (e.g. Flowfinity)
- Develop, test, and implement custom geoprocessing models
- Perform spatial analyses using ArcGIS and related applications
- Maintain and document the integration of GIS with CMMS and other databases and systems
- Technical resource for the District's GIS data and applications

### QUALIFICATIONS

Any combination of education and experience that provides the requisite knowledge, skills and abilities. Typically this can include:

- Associate degree in GIS, Geography, Computer Science or related field
- Three (3) years experience with enterprise GIS, information systems, geodatabase administration
- Proficiency with ESRI ArcGIS Pro, ArcGIS Enterprise, ArcGIS Online, and ESRI Utility Network

## COMPENSATION & BENEFITS

The District provides employees the resources to grow professionally and stay happy and healthy. Compensation and benefits include:

- 100% employer-paid medical, dental and vision (employee and family)
- Paid vacation and sick leave
- Public Employee Retirement System (PERS)
- Flexible Spending Account (FSA) for medical and dependent care
- Education assistance program
- Training and development
- Basic life insurance
- Long-term disability
- Relocation expense reimbursement for eligible applicants

Salary range: \$6,672 to \$8,723 per month

Starting salary: \$6,672 to \$7,629 per month, depending on qualifications.

## ABOUT THE DISTRICT

The District's mission: Provide customer-focused, professional wastewater services in an environmentally and financially responsible manner.

Formed in 1958, the District provides reliable, affordable service to more than 120,000 people. The District supports economic development while protecting public health and the environment.

Ensuring residents have access to high-quality sewer service at competitive and stable rates is important. The District achieves this through proactive planning, sound financial management, and a regional approach to governance and service delivery. Recent initiatives such as the Discovery Corridor Wastewater Transmission System (DCWTS), Discovery Clean Water Alliance (Alliance) and City of Ridgefield Collection System Transfer have not only supported local economic growth, but also helped to ensure low and consistent rates for our customers well into the future.

The District's unique approach to serving the community has led to recognition with several awards and accreditation:

- GFOA Distinguished Budget Presentation Award, 2016-2023
- GFOA Certificate of Achievement for Excellence in Financial Reporting, 1988-2022
- *Vancouver Business Journal* inaugural Catalyst Award in 2015 for DCWTS
- Governor's Smart Communities Award in 2013 for Alliance
- APWA Accredited since 2005

## WHY JOIN THE DISTRICT?

- **A professional utility.** An industry leading utility devoted to serving its growing customer base with professional staff and services.

- **A great place to work and live.** You'll find a healthy work/life balance, along with affordable homes, a variety of outdoor activities, impressive school districts, and a foodie's paradise nearby. Recreational opportunities abound within an hour drive to the mountains or the coast.
- **A passion for the community.** Whether growing food together, presenting at public safety fairs, or participating in local parades, the District and its employees strive to give back and engage the community.
- **The chance to make a difference.** Our workplace is big enough to make things happen, but small enough to celebrate the contributions of each employee.
